RE: Republican Women of Marion County Scholarship Fund

To Whom It May Concern,

The Republican Women of Marion County have established a scholarship to be given to a Marion County high school senior or home school student who will be entering college in the fall.

Each applicant must complete a letter of application, meet the requirements, and submit an essay on a chosen topic each year. This award can be used toward tuition, books or supplies. RWMC will supply the college, University, or Trade School with the funds on behalf of the recipient. This award must be used within one year.

Our goal is to give several scholarships. We feel this is a good way to get involved with the youth and provide a positive, conservative influence in the community.

We hope you will join us in reaching our fundraising goal.

Sincerely,

Republican Women of Marion County
